<u>Defendant.</u>)	

Plaintiff previously sought and received an entry of default against defendant in this case. Plaintiff now moves, pursuant to Fed. R. Civ. P. 55(b), for a default judgment. Plaintiff asserts entitlement to unpaid wages, overtime and liquidated damages in the amount of \$23,367.20 pursuant to state and federal wage and hour laws. Plaintiff also seeks fees and costs. The motion and its supporting materials fail to set out the wage rate and how wages were calculated. Accordingly, the motion for a default judgment is denied without prejudice.

CONCLUSION

Plaintiff's motions for default judgment (#7), bill of costs (#9) and judgment (#10) are denied without prejudice.

DATED this 21st day of June, 2009.
